Infrastructure in Google Cloud

Networking & Security in Google Cloud

Data, ML, and AI in Google Cloud

Create and Manage Cloud Resources

Perform Foundational Infrastructure Tasks in Google Cloud

Build and Secure Networks in Google Cloud

Perform Foundational Data, ML, and AI Tasks in Google Cloud

Google Cloud

Nov 1, 2023

Abhishek Soni

has successfully completed the Google Cloud Study Jam, hosted by
Google Developer Student Clubs at SVKM's NMIMS, Indore

Google Cloud Computing Foundations & Generative AI

This achievement reflects a profound grasp of the fundamental concepts and practical skills essential for navigating and working within Google Cloud.

Individuals who earn this certificate have acquired the foundational skills necessary for cloud computing, making them well-prepared to advance their professional journey within Google Cloud's ecosystem. It stands as a testament to their commitment to learning and their capacity to utilize Google Cloud services for a wide array of applications and projects.

Congratulations on this significant accomplishment, and we encourage you to further develop your expertise and explore the numerous career opportunities within the realm of Google Cloud.
