Profile

Computer Engineering student with a strong foundation in **software development** and **full-stack systems**. Proficient in designing and building scalable applications using **Python (Flask)** and **Flutter**, with hands-on experience in **LLM integration**, RESTful APIs, and secure database architectures. Focused on writing clean, efficient code and solving real-world problems through robust software solutions.

Technical Skills

- **Languages/Frameworks**: C++, Python, Java, SQL, Dart | Flutter, Flask, React.js, Node.js
- **Data/Security**: Pandas, NumPy, OpenCV, Power BI | SQLite, MongoDB, Firebase, Werkzeug
- **Core CS & Tools**: DSA, DBMS, OS, Computer Networks | Git, VS Code, Android Studio, Unity

Education

SVKM NMIMS	**Indore**
B.Tech in Computer Engineering	*2023 -- Present*
Delhi Public School	**Bhopal**
*Class XII, **77.4%***	*2022*
Delhi Public School	**Bhopal**
*Class X, **92.0%***	*2020*

Selected Projects

Python, LLMs	**GitHub**
Autonomous Finance Agent	*Jan 2026*

- Engineered an **LLM autonomous agent** for financial analysis from natural language goals.
- Built automated pipelines using **pdfplumber** and **pandas**.
- Generated **interactive HTML dashboards** for real-time expense insights.

Flutter, Flask, SQLite	**GitHub**
NMIMS Hostel Management System	*Nov 2025*

- Developed a full-stack system using **Flask REST APIs**.
- Implemented **secure authentication** via Werkzeug.
- Optimized a **normalized SQLite schema** with controlled media storage.

C/C++, IoT	
Self-Balancing Robot	*2025*

- Built a 2-wheeled robot using **Arduino Uno** and **MPU-9250 sensor fusion**.

Experience

Netcom	**Bhopal**
IT Support / Networking Intern	*May -- June 2025*

- Assisted in LAN setup and **TCP/IP troubleshooting**.

Sewa Bharti NGO	**Bhopal**
Mental Health Awareness Specialist	*May -- July 2023*

- Led outreach impacting **1,000+ individuals**; improved access by **25%**.

Leadership & Co-Curricular

Aalochak Club	**SVKM NMIMS, Indore**
Core Team Lead	*Aug 2023 -- Present*

Led 30+ members; increased engagement by **40%**.

GDSC	**SVKM NMIMS, Indore**
Technical Core Team Member	*2024 -- 2025*

Organized hackathons and workshops for **100+ students**.

Malhar Club	**SVKM NMIMS, Indore**
Creative & Technical Team	*2024 -- 2025*

Contributed to technical and creative planning for college cultural events.

Certifications

- NPTEL: *Artificial Intelligence – Concepts and Techniques* (2025)
- Google Cloud: *Cloud Computing Foundations*, *Generative AI Fundamentals* (2024)
